## Packages and Prices 2008

*“Victory Video is dedicated to the art of wedding video production, providing discreet coverage and tasteful, high quality editing ”*

### BRONZE

*We cover arrivals, the ceremony, the photocall and confetti shower then on to the Reception, finishing at the end of the speeches. The work is completed with a simple edit and opening title, burned to DVD. Price: £645.*

### SILVER

*The Silver package includes coverage of Bridal Preparation. In addition to the Bronze package, filming continues at the Reception, to the cutting of the cake, the First Dance and the early part of the evening party, usually finishing around 9 p.m. A photomontage and your choice of music within a more elaborate edit is included in the price of £995.*

### GOLD

*For a more varied and complete experience, the Gold package is a 2-camera production. The price of this superior package £1295, and includes 3 DVDs.*
